

src/my.h

```
graph TD; A[src/my.h] --> B[term.h]; A --> C[struct.h];
```

A diagram illustrating a file dependency or include relationship. At the top is a gray rectangular box labeled 'src/my.h'. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box is labeled 'term.h' and has a thin gray border. The right box is labeled 'struct.h' and has a thin black border.

term.h
